

Our Mission:

To Champion our Defense Community

Active Military and their families

Retired Military and their families

Defense Employees

Defense Contractors

As civic leaders in Tampa Bay, we have the responsibility, the energy and the determination to improve the quality of life, enhance the overall economic well-being, positively affect public policy, tackle obstacles and solve problems facing our defense community. We will be a forum of and for strategic thinkers, and will provide vital linkage to all organizations supporting our military personnel and their families.

One team. One voice.

The Tampa Bay Defense Alliance prioritizes our initiatives

Serve active and retired military personnel and their families.

Build awareness throughout the region of MacDill's impact.

Communicate and project as One Team with One Voice throughout the region with our Community Partners.

The My MacDill Campaign is a broad community organizational effort to support the service men and women from all branches of the armed forces serving on the base, along with their families.
